Dear CA Families,

The past couple of weeks have been both busy and exciting as our student-athletes and coaches have been diligently working to prepare for our fall athletics season.

This season is comprised of a full slate of games and competitions. I'm pleased to announce that we will be welcoming fans at our athletic contests this year; however, we are still operating with some COVID-19 safety protocols in place and ask that you please follow them while on campus.

**Read below for our current guidelines, with the understanding that these could be modified as conditions change.**

**Outdoor Athletic Contests**

- Spectators are allowed
- Vaccinated individuals do not need to wear a mask
- Unvaccinated and individuals who are not fully vaccinated must wear a mask

**Indoor Athletic Contests**

- Spectators are allowed
- All spectators, regardless of vaccination status, must wear a mask
- Please try to maintain 6 feet physical distance from individuals not in your group

Other independent schools we compete against may have different guidelines for our road games. As such, CA coaches will be made aware of any variances and communicate them to their respective teams.

As always, we will continue to work with state Department of Public Health, other independent schools, and our own administration to prioritize the health and safety of our students and families.

Feel free reach out to me directly with any questions. I look forward to seeing you on Simosa Field and Track and in the Arthur Sheriff Field House in the coming weeks!

Sincerely,

**Jim McCarthy**
