

September 17, 2024

Dear Cheshire Academy Community,

I am pleased to share that the Cheshire Academy Head of School Search Committee has now identified three finalist candidates who have been invited to a campus visit. The finalists will be visiting CA for three days each over the next month. Each one will be at CA for an evening with the Board, dinner with members of the Search Committee, a full day of visits with individuals and groups within our campus community, and a third, shorter day with more appointments. The "Finalist Visit" is meant to provide as much information as possible to the candidates so that they will know what to expect if offered the Head of School position. In turn, it is also an opportunity for us to get a sense of what each candidate would bring to our community.

We are excited, confident, and impressed with the quality of our finalists. We look forward to a fun and engaging visit with each of these three outstanding candidates. The Search Committee will be getting feedback from the Board and the Advisory Committee, as well as other members of the campus community who have interacted with the candidates during their visit. We anticipate vigorous discussions and being able to announce the next Cheshire Academy Head of School by early November.

Sincerely,

James Kempton P'20
Trustee, Search Committee Chair
